Detailed description: This page contains steps 1 through 11 of the LEGO assembly instructions. Step 1 shows a circular orange plate with a grey axle and a grey bush being inserted. Step 2 shows two orange 1x2 bricks being placed on top of the plate. Step 3 shows a ring of orange 1x2 bricks being placed on top of the bricks from step 2, with a black 1x4 plate being added to the top. Step 4 shows a vertical stack of orange bricks (8x4, 4x4, 4x4, 8x8, 8x4, 4x4, 4x4, 4x4, 4x4, 8x8) being attached to the sides of the structure. Step 5 shows a vertical orange brick (3x3) being attached to the side. Step 6 shows a black 1x4 plate being placed on top of the ring of bricks, with orange 1x2 bricks being added to the top of the plate. Step 7 shows a circular orange plate with a grey axle and a grey bush being inserted into the top of the structure. Step 8 shows a ring of orange and black bricks being attached to the sides of the structure. Step 9 shows a curved row of orange and black bricks being attached to the sides of the structure. Step 10 shows the structure with the curved row of bricks attached. Step 11 shows the structure with four legs being attached to the bottom.
