**RU** Рекомендации по сборке: извлекайте детали из деревянной карты, как показано в инструкции. Будьте осторожны, чтобы не сломать детали, если снимается с трудом, аккуратно вырежьте ее канцелярским ножом. Данная модель предназначена для сборки без использования клея. Все движущиеся части зачищайте наждачной бумагой и смазывайте воском во время сборки, чтобы уменьшить трение при эксплуатации модели. Все механизмы должны свободно вращаться.

**ENG** Assembly Instructions: Remove the parts from the wooden card as shown in the instructions. Be careful not to break the details, if it is difficult to remove, carefully cut it with a utility knife. This model is designed for assembly without the use of glue. All moving parts should be sanded and waxed during assembly to reduce friction during model operation. All mechanisms must rotate freely.

**DEU** Montageanleitung: Entfernen Sie die Teile wie in der Anleitung gezeigt von der Holzkarte. Achten Sie darauf, die Teile nicht zu zerbrechen. Wenn sie schwer zu entfernen sind, schneiden Sie sie vorsichtig mit einem Universalmesser ab. Dieses Modell ist für die Montage ohne Verwendung von Klebstoff konzipiert. Alle beweglichen Teile sollten beim Zusammenbau geschliffen und gewachst werden, um die Reibung während des Modellbetriebs zu verringern. Alle Mechanismen müssen sich frei drehen können.

**FRA** Instructions d'assemblage : retirez les pièces de la carte en bois comme indiqué dans les instructions. Faites attention à ne pas casser les détails, s'il est difficile à retirer, coupez-le soigneusement avec un couteau tout usage. Ce modèle est conçu pour un assemblage sans utilisation de colle. Toutes les pièces mobiles doivent être ponçées et cirées lors de l'assemblage pour réduire la friction pendant le fonctionnement du modèle. Tous les mécanismes doivent tourner librement.

**SPA** Instrucciones de montaje: Retire las piezas de la tarjeta de madera como se muestra en las instrucciones. Tenga cuidado de no romper los detalles, si es difícil de quitar, córtelo con cuidado con un cuchillo. Este modelo está diseñado para ensamblarse sin el uso de pegamento. Todas las piezas móviles deben lijarse y encerarse durante el montaje para reducir la fricción durante el funcionamiento del modelo. Todos los mecanismos deben girar libremente.

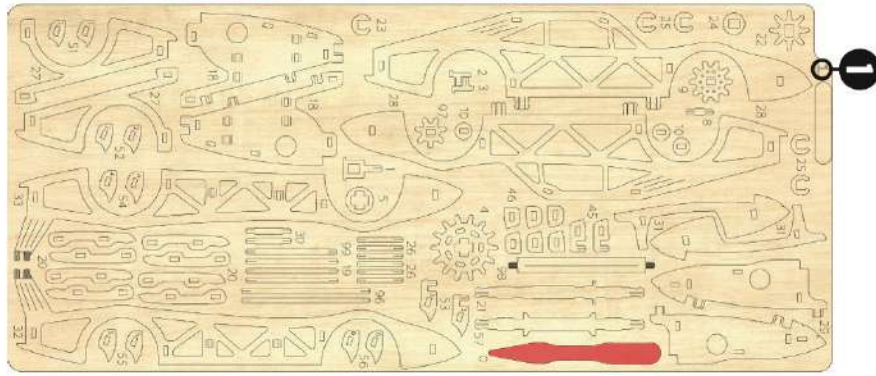

**DEU** Istruzioni di montaggio: rimuovere le parti dalla scheda di legno come mostrato nelle istruzioni. Fare attenzione a non rompere i dettagli, se risulta difficile rimuoverlo, tagliarlo con cura con un taglierino. Questo modello è predisposto per il montaggio senza l'utilizzo di colla. Tutte le parti mobili devono essere levigate e cerate durante l'assemblaggio per ridurre l'attrito durante il funzionamento del modello. Tutti i meccanismi devono ruotare liberamente.
